

COLORADO, USA (FORT COLLINS)

CuraCore VET

DIRECTIONS TO SITE:

Directions to CuraCore VET will be sent upon registration confirmation.

AIRPORTS:

The closest airport is the *Denver International Airport (MCO)* and is approximately 1 hour and 15 minutes from Fort Collins.

Denver International Airport (DEN)

8500 Pena Blvd, Denver, CO 80249

Phone: (720) 730-4359

Website: <https://www.flydenver.com/>

CAR RENTALS: Major rental car agencies are available at the airport. Please visit the airport site for a full list.

LODGING: The EquiLearn Institute is not responsible for reservations or conditions of the following lodging options. We have provided this list of hotels that we have a CORPORATE rate with that are close to the school and in great proximity to restaurants, etc.

If you choose to book lodging elsewhere, please avoid the hotels located close to I-25 and Mulberry Rd. This is a transient area and your safety is always our priority. Fort Collins is an extremely safe city, but like all cities, has a few areas to avoid.

Please Note: if the hotels are nearing full capacity, they may or may not honor a corporate rate. Your best chance is if you book early with them. Fort Collins is a very busy college community and hotels do fill for many events.
